Transmittal Memorandum No. 2**

TO THE HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

SUBJECT: Cost Principles for Nonprofit Organizations

This memorandum revises OMB Circular A-122, "Cost Principles for Nonprofit Organizations, to clarify requirements for maintenance and access to records for costs associated with legislative lobbying and political activities.

In attachment B, section B21, "Lobbying," paragraph c.(4) is revised as follows:

c.(4) Time logs, calendars, or similar records shall not be required to be created for purposes of complying with this section during any particular calendar month when: (1) the employee engages in lobbying (as defined in paragraphs (a) and (b) above) 25 percent or less of the employee's compensated hours of employment during that calendar month, and (2) within the preceding five-year period, the organization has not materially misstated allowable or unallowable costs of any nature, including legislative lobbying costs. When conditions (1) and (2) above are met, organizations are not required to establish records to support the allowability of claimed costs in addition to records already required or maintained. Also, when conditions (1) and (2) above are met, the absence of time logs, calendars, or similar records will not serve as a basis for disallowing costs by contesting estimates of lobbying time spent by employees during a calendar month.
